steriliser

† Please note the Unbelievabowl suction base is not suitable for microwaves or sterilisers.

Cleaning & Care:

Wash in warm soapy water, rinse in hot water and air dry before using for the first time and after each use. Vital Baby® food pots and bowls are all top rack dishwasher safe and can be sterilised by all sterilising methods. They are all suitable for use in the microwave oven *except for the Unbelievabowl™ suction base.

Ensure that the lid is removed and then rested loosely on top before microwaving. Do not use abrasive or solvent based cleaning agents as this may cause damage. Store in a dry, covered container, out of direct sunlight when not in use.

For your baby's safety and health **WARNING:**

- Always use this product under adult supervision.
- Before first use, inspect the product. Throw away at the first sign of damage or weakness.
- Keep all components not in use out of the reach of children.
- Always check the food temperature before feeding.

This product conforms to BS EN 14372 standards.
